

Pleasant Hope R-VI Music Department Official Calendar 2010-2011

Revised May 15, 2010

Please display this information in a highly visible area in your home – we stick ours on the fridge. This calendar gets updated every month or so. If you feel your current version is a little old (just check the revision date above), go online to <http://www.freewebs.com/phpiratesmusic> to download the latest update. We also print several copies after each revision for students to take home if they so desire. Ask your child to bring a copy home from the music room.

Holidays and events of general interest are in regular type. *Italicized items are special school events.* **Bold items are major music department events. Bold and italicized items are usually major performances.** New and updated events will be underlined for quick identification. (Events in parentheses are still awaiting final approval. We just have them here to help you plan.) To identify which events apply to your family, the letters in the first column refer to the group(s) to which that event applies (i.e. C=Choir; B=Band; E=Elementary Music); the final column is more specific about who is involved. For more information, please call the Pleasant Hope music teachers at (417)267-2271 - ext. 2412.
